

# Shoot for a Cure Year Two

By Michael S. Irish, MD  
Shoot for a Cure Founder  
& 2008 Co-Chair

The second annual Shoot for a Cure benefitting the Cystic Fibrosis Foundation was held June 20th and 21st, once again at New Pioneer Clay Target Center in Waukee, Iowa. The success of this year's event notwithstanding, this year's 'Shoot' was blessed by beautiful weather and will be remembered in part as a welcome weekend reprieve from the 2008 spring & summer rains.

By popular demand, planning for the 2008 Shoot for a Cure began immediately following the 2007 'Shoot'. We were on to something! The 'Shoot' Board was expanded allowing us to capitalize on the momentum from our inaugural year. With the introduction of our website ([www.shoot4acure.org](http://www.shoot4acure.org)) we were able reach out for more support and participants and volunteers as well as provide a means for on-line registration, donation and communication. Largely by word of mouth, the 'Shoot' had gained a favorable reputation and was able to draw upon this in the recruitment of new additional sponsorships, donors and volunteers.

Sponsors and Friends of the 'Shoot' – a heartfelt thanks

This year we welcomed back Craig and Kathy Sommerfeld of Kreg Tool (Huxley, Iowa) as our 'Presenting Sponsor', and The Blank Children's Hospital/Iowa Health Des Moines, and Boyt Harness/Bob Allen (Osceola, Iowa) and the Gavel Family (Connecticut) as 'Title Sponsors'.

## Additional sponsors included:

### Foundation Sponsors

Des Moines University, Des Moines, Iowa  
Pioneer Hybrid, Johnston, Iowa

Pheasants & Quail Forever  
Kreighoff International  
Briley Manufacturing  
The National Skeet Shooting Association  
The National Sporting Clays Association

## New in 2008

The social event was expanded to include live entertainment by Nashville recording artist, former Iowan (Hull, Ia.) and sporting clays enthusiast TJ Klay. Our Banquet featured Rubes Steaks (Waukee, Iowa) and our auction included works from wildlife artists Larry Zach and Maynard Reece and unique one-of-a-kind

custom wine barrels and glass etchings from Iowa artisans Bud Doane of North Skunk Sawmill and Market (Searsboro, Iowa) and Bob Lee of Dreamland Productions (Traer, Iowa). The ladies were happy to see a few more items appealing to them as well.

The 2008 SFAC course included 100 targets of sporting clays, and a choice between 25 targets at skeet, 5-stand or Trap. A 30 - target Flurry machine was available for those who wanted an extra challenge for fun! The event drew 150 shooters, and welcomed more ladies and youth shooters. Once again all shells were donated by Kreg tool.
